REPORT

The Department of Mechanical Engineering conducted a **Certificate course on CATIA V5 R18 from 14/02/2018 to 07/03/2018**. The resource person for this certificate course was Mr. S. J. Shinde from SVERI's COE, Pandharpur. In this certificate course the student got the detail knowledge about new trends and techniques in *CATIA V5 R18 with hands on practical* and which are the new tools plans available in upcoming days for the Mechanical Engineer in the field of Mechanical Design and Modeling. Domestic and industrial applications of *CATIA V5 R18 with practical* on Mechanical Automotive parts have been covered in this certificate course. **Total 37 students of T. E. & B. E. Mechanical participated in this certificate course.** All the faculty members from Mechanical department worked actively for the successful completion of certificate course.

The Course outcomes for this course are:

- 1) Student got the knowledge about which are the new opportunity available for Design/business in Mechanical Engg. Sector.
- 2) Student understood the application of *CATIA V5 R18*.

REPORT

The Department of Mechanical Engineering conducted a **Certificate course on ANSYS Workbench in association with Vernier Design Solution, Pune from 18/07/2017 to 04/08/2017**. The resource person for this certificate course was Mr. S. M. Khomane from SVERI's COE Pandharpur. In this certificate course the student got the detail knowledge about **ANSYS Workbench** and its various applications in the field of academics, research & industry. Domestic and industrial applications of **ANSYS Workbench** with practical on Mechanical application have been covered in this certificate course. **Total 41 students of B.E. Mechanical participated in this certificate course**. All the faculty members from Mechanical department worked actively for the successful completion of certificate course.

The Course outcomes for this course are:

- 1) Student got the knowledge about which are the new opportunity available for Job/business in **ANSYS Workbench**.
- 2) Student understood the application of **ANSYS Workbench**.

REPORT

The Department of Mechanical Engineering conducted a **Certificate course on TATA Distance Ready Engineer (DRE) from Jan 2018 to Mar. 2018**. The resource person for this certificate course was Mr. S. B. Patil from SVERI's COE, Pandharpur. In this certificate course the student got the detail knowledge about new trends and techniques in *Mechanical Engineering CATIA V5 R18 with hands on practical* and which are the new tools plans available in upcoming days for the Mechanical Engineer in the field of Mechanical Design and Modeling. Domestic and industrial applications of *CATIA V5 R18 with practical on Mechanical Automotive parts* have been covered in this certificate course. **Total 65 students of T. E. & B. E. Mechanical participated in this certificate course**. All the faculty members from Mechanical department worked actively for the successful completion of certificate course.

The Course outcomes for this course are:

- 1) Student got the knowledge about which are the new opportunity available for job in **Mechanical Engg. Sector**.
- 2) Student understood the application of **TATA Distance Ready Engineer (DRE)**.

REPORT

The Department of Computer Science and Engineering conducted a **Certificate course on Internet of Things and its applications from 24/07/2017 to 03/08/2017**. The resource person for this certificate course was Mr. Rohit Kumar, MDI Networks, Pune. In this certificate course the student got the detail knowledge about Internet of Things and its applications. Domestic and industrial applications of Internet of Things and its applications with practical on Computer Science and Engineering application have been covered in this certificate course. **Total 148 students of T.E. CSE participated in this certificate course**. All the faculty members from Computer Science and Engineering department worked actively for the successful completion of certificate course.

The Course outcomes for this course are:

- 1) Student got the knowledge about which are the new opportunity available for business in Internet of Things and its applications.
- 2) Student understood the application of Internet of Things and its applications.

To,
The Principal,
SVERI's COE,
Pandharpur

Sub: Report of Certificate Course on "C & C++ Programming Language".

Respected Sir,

The Certificate course on "C & C++ Programming Language" is conducted for SE & BE students from 10th January to 19th January 2018. During training, Total 98 students were studied about C Programme data Types, Functions, Pointers, Static and Dynamic Memory Array Functions and executed some programmes on software. This course is helpful for the students to study software related content for their placements.

Thank you,

Yours faithfully,

One Page Report

The Department of civil Engineering conducted a certificate course on Introduction to AUTO-CAD software from 25/08/2017 to 03/09/2017. In this certificate course the student got the detail knowledge about new trends of auto cad software which is helpful to draw and edit digital 2D and 3D designs more quickly and easily than you could by hand. The files can also be easily saved and stored in the cloud, so they be accessed anywhere at any time. It helps users creating designs in either 2D or 3D so that they can visualize the construction. CAD enables the development, modification, and optimization of the design process. Total 77 students of S.E. civil participated in this certificate course. All the faculty members from civil department worked actively for the successful completion of certificate course. The Course outcomes for this course are

- 1) Student got the knowledge about which is the new opportunity available for business in construction sector.
- 2) Student understood the application of Auto-CAD.
