(SERB)

Terms & Conditions of the Grant

1. Approval of the research proposal and the grant being released is for the specific project sanctioned and should be exclusively spent on the project within the stipulated time. The Institute is not permitted to seek or utilise funds from any other organisation (Government, Semi-Government, Autonomous and Private Bodies) for this research project. Any un-spent balance out of the amount sanctioned must be surrendered to SERB through a crossed Cheque Demand Draft drawn in favour of "Fund for Science & Engineering Research".
2. For permanent, semi-permanent assets acquired solely or mainly out of the project grants, an audited record in the form of a register in the prescribed format (attached) shall be maintained by the Institute. The term "Assets" include (a) the immovable property acquired out of the grant; and (b) movable property of capital nature where the value exceeds Rs 1000/-. The Institute is required to send to SERB a list of assets acquired from the grant. The grant shall not be utilised for construction of any building unless specific provision is made for that purpose. Full infrastructural facilities by way of accommodation, water, electricity, communication etc. for smooth implementation of the project shall be given by the Institute.
3. All the assets acquired from the grant will be the property of Government of India and should not be disposed off or encumbered or utilised for purpose other than those for which the grant had been sanctioned, without the prior sanction of SERB.
4. At the conclusion/ termination of the project, the Government of India will be free to sell or otherwise dispose off the assets which are the property of the Government. The Institute shall render to the Government necessary facilities for arranging the sale of these assets. The Government of India has the discretion to gift the assets to the Institute or transfer them to any other Institute if it is considered appropriate.
5. The Institute/PI will furnish Annual Progress Report of the work on the project on an yearly basis (i.e. if the date of start of a project is 12.09.97 the first Annual Technical Progress report shall be for the period 12.09.97 to 30.09.98, the next will be from 01.10.98 to 30.09.99 and so on). In addition, SERB may designate Scientist/ Specialist or an Expert Panel to visit the Institute periodically to review the progress of the work being carried out and to suggest suitable measures to ensure realisation of the objectives of the project. During the implementation of the project the Institute will provide all facilities to the visiting scientist/ specialist or the Expert Panel by way of accommodation etc. at the time of their visit. On completion of the project 5 copies of a final consolidated Project Completion Report (Annexure) on the work done on the project should be sent to the SERB.
6. At the time of seeking further instalment of grant, The Institute/ PI has to furnish the following documents:
 - a) Utilisation Certificate (UC) and Statement of Expenditure (SE) for the previous financial year (in original or copy if sent earlier);
 - b) Latest authenticated Statement of Expenditure including Committed Expenditure, for expenditure since 1st April of that financial year till the previous month; and
 - c) Technical Annual Progress Report, if not sent earlier.
7. Request for specific approval of SERB to carry forward the unutilised grant to the next financial year for utilisation for the same project, should be sent along with SE & UC, after completion of the financial year.

Scales 29/9/2012

8. The Comptroller & Auditor General of India, at his discretion, shall have the right of access to the books and accounts of the Institute maintained in respect of the grant received from the Government of India.
9. The institute will maintain separate audited accounts for the project. If it is found expedient to keep a part or whole of the grant in a bank account earning interest, the interest thus earned should be reported to SERB and should be reflected in the Statement of Expenditure. The interest thus earned will be treated as a credit to the institute to be adjusted towards further instalment of grant.
10. The institute will not entrust the implementation of the work for which the grant is being sanctioned to another institution nor will it divert the grant receipts to other institute as assistance. In case the institute is not in a position to implement or complete the project, it should, forthwith, refund to SERB the entire grant received by it or the balance grant with it.
11. All the personnel including Research personnel appointed under the project, for the full part duration of the project, are to be treated as temporary employees and will be governed by the Administrative rules/ service conditions (for leave, TADA etc) of the implementing institute. They are not to be treated as employees of the Government of India and the SERB will have no liability, whatsoever, for the project staff after completion of the project duration.
12. For the expeditious implementation of the research project, the PI will take the assistance of the institute in the process of selection and appointment of staff and payment to them. Scale and emoluments for the posts not covered under DST's OM are governed by norms prevalent in the implementing institution or as may be decided in consultation with SERB.
13. SERB reserves the right to terminate the project at any stage if it is convinced that the grant has not been properly utilized or appropriate progress is not being made.
14. The project becomes operative with effect from the date on which the Draft/ Cheque is received by the implementing institution. This date should be intimated by the Institution authorities/ Principal Investigator to SERB. It will, in no case be later than one month after the receipt of the draft/ cheque by the institute.
15. If the PI to whom a grant for a project has been sanctioned wishes to leave the institution where the project is based, the Institute/ PI will inform the same to SERB and in consultation with SERB, evolve steps to ensure successful completion of the project, before relieving the PI.
16. Investigators wishing to publish technical/ scientific papers based on the research work done under the project, should acknowledge the assistance received from SERB, indicating the scheme. Investigators are also requested to publish some of the research papers emerging out of the project work in leading Indian Journals.
17. If the results of research are to be legally protected, the results should not be published without action being taken to secure legal protection for the research results.
18. For projects identified to have a distinct potential for generating know-how, in the form of product/ process, that could be protected through patenting, copyrights etc., the PI should comply with the "Guidelines for Technology Transfer and Intellectual Property Rights" provided in the Guidelines for Implementing Research Projects booklet issued by the DST. Sanction Order

Subject: - Project Proposal entitled "Setting up Rural Human and Resource Development Facility (RHRDF) with the Technical Guidance and Consultancy from BARC-DAE"

Ref :- 1) Project Proposal dated 28th June 2011 received from Prof. B. P. Ronge, SVERI, College of Engineering, Pandharpur

For advancement, propagation and promotion of applications of Science and Technology for development and to tackle various problems facing the society, the Government of Maharashtra has set up Rajiv Gandhi Science and Technology Commission. One of the objectives of the Commission is to catalyze application of innovations in sectors like food processing, energy, water, agriculture, industry etc. to create knowledge based society for sustained economic progress.

2. A project proposal entitled "Setting up Rural Human and Resource Development Facility (RHRDF) with the Technical Guidance and Consultancy from BARC-DAE" was received from SVERI's, College of Engineering, Pandharpur, for financial support under the Scheme "Assistance for Science and Technology Applications" of the Commission. The objectives of the project are to develop avenues for employment/self employment in rural areas, to transfer and deploy technology from laboratories to the field through AKRUTI programme format of BARC-DAE and large scale deployment of AKRUTI programme in rural sector. The project proposal was duly processed and approved by the Rajiv Gandhi Science and Technology Commission

3. The Rajiv Gandhi Science and Technology Commission is therefore, pleased to sanction and release an amount of Rs. 134.50 Lakhs (Rs. One Crore Thirty Four Lakhs Fifty Thousand only) out of the total estimated cost of Rs. 317.89 Lakhs (Rs. Three Crore Seventeen Lakhs Eighty Nine Thousand only) as the first installment to the institute for

implementation of the project of 3 years duration. The Demand draft shall be drawn and issued in favour of Principal, SVERI's, College of Engineering, Pandharpur. The Institute is requested to acknowledge the receipt of payment immediately.

4. The institute should constitute a review group for monitoring the progress, consisting of the proposed downstream partners who should provide inputs along with the periodic progress report on the project. The composition of the Review Group should be decided in consultation with the Commission.

5. The project status will be reviewed in terms of objectives and achievement, at the end of the first year after receipt of the sanctioned amount and thereafter every six monthly. The Institute should submit the Annual/Six monthly progress reports on the project along with the Utilization Certificate and the Statement of Expenditure to enable the Commission to complete the reviewing process.

Sub:- Project Proposal entitled "ICT Enabled School Education in Rural Areas around 15-20 Kms. from NKN Node".

- Ref:- 1. Project Proposal dated 28th July, 2012 received from SVERI's College of Engineering, Pandharpur.
2. Rajiv Gandhi Science and Technology Commission's Sanction Order of even number dated 13th February, 2013, Office Order dated the 8th March, 2013 and Sanction Order dated the 16th August, 2014.
3. Letter dated 20th June, 2015 received from P.I. Dr. B. P. Ronge, SVERI's College of Engineering, Pandharpur.

The project proposal entitled "ICT Enabled School Education in Rural Areas around 15-20 Kms. from NKN Node" received from the SVERI's College of Engineering, Pandharpur, for financial support, with Three years duration and total estimated cost of Rs. 137.60 lakhs, was duly processed and approved by the Rajiv Gandhi Science and Technology Commission. Accordingly, amounts of Rs. 91.20 lakhs and Rs. 23.20 lakhs were sanctioned and released to the institute as the first and second instalment for implementation of the project under RGSTC Sanction Orders dated 13th February, 2013 and 16th August, 2014 respectively.

2. The institute has now sent Progress Report along with the Utilization Certificate for the period from 1.4.2014 to 31.3.2015 indicating an unspent balance of Rs. 8,40,712/- as on 31st March, 2015. However, the institute has further clarified that the current balance amount available is almost Nil. The institute has requested to release the third instalment. Considering, the present status of project implementation and current balance position of the fund, the third instalment may be granted. It is observed that the institute has already received interest amounts of Rs. 2,23,120/- and Rs. 1,14,106/- totaling to Rs. 3,37,226/- during 2013-14 and 2014-15. Deducting the total interest amount of Rs. 3,37,226/- (Rs. Three Lakhs Thirty Seven Thousand Two Hundred Twenty Six Only) from the third due instalment of Rs. 23.20 lakhs, net amount payable is Rs. 19,82,774/- to the institute.

3. The Rajiv Gandhi Science and Technology Commission is, therefore, pleased to sanction and release an amount of 19,82,774/- (Rs. Nineteen Lakhs Eighty Two Thousand Seven Hundred Seventy Four Only) to the institute as the third instalment for implementation of the project. The Demand Draft shall be drawn and issued in favour of Principal, SVERI's College of Engineering,

... receipt of payment immediately. The balance ...
... March, 2015 is permitted to be used during 2015-16.

4. The institute shall forward the Project Completion Report along with final Utilization Certificate, Statement of Expenditure and Statement of Complementary Benefits resulting from the project implementation to the Commission to enable it to carry out the reviewing process.
