The Hon. Principal
College of Engineering,
Pandharpur.

Subject: Report about Aptitude Training Programme conducted by Sanir Kittur.

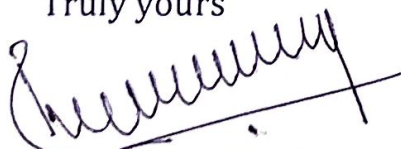

Respected Sir

With reference to above cited subject, we have outsourced the Aptitude Training to Mr. Sanir Kittur of Aptech Solutions from last five years and his charges per clock hour for the training is Rs. 700/. However, now he is asking for Rs. 1200/ per clock hour for the same training, looking at his results and his adjustment as per our college requirement is highly appreciated. The students of third and final year are very happy with his training inputs. Our students are cracking aptitude in every company campus and the cracking rate is very high. TCS company aptitude test cracking rate is highest in Maharashtra.

I tried for other vendor for the same training but I did not find anyone who would meet our expectations and the charges for training are also very high.

This is for you kind information and consideration.

Truly yours

(Dr. Madhav Raul)
