Yoga is an ancient physical, mental and spiritual practice that originated in India. Today it is practiced in various forms around the world and continues to grow in popularity. Recognizing its universal appeal, on 11 December 2014, the United Nations proclaimed 21 June as the International Day of Yoga by resolution 69/131. The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga. The draft resolution establishing the International Day of Yoga was proposed by India and endorsed by a record 175 member states. Yoga is not just about exercise; it is a way to discover the sense of oneness with yourself, the world and the nature."
