Student's Feedback on the Syllabus and its Transaction at the Institution

Name of the Student: Nikita Nagnath Pawar Branch: Mechanical

Class & Div: L.Y - A Academic Year: 2022-23

This feedback form is intended to collect information relating to your satisfaction towards the curriculum, learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the program of institution.

Your responses below are for purpose of evaluation

5 – Excellent 4 – Very Good 3 – Good 2 – Average 1 – Poor

Please respond to items below by writing 5/4/3/2/1

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course?	✓				
2.	How do you rate the relevance of the units in syllabus significant to the course?	✓				
3.	How do you rate the electives offered in relation to the technological advancements?	✓				
4.	Rate the courses in terms of extra learning or self learning considering the design of the courses?		✓			
5.	Rate the theoretical concepts of syllabus supported by Practical/Experiments?	✓				
6.	Rate the contents included in the syllabus with reference to professional and higher level learning skills?	✓				
7.	How do you rate the evaluation scheme designed for each of the course?		✓			
8.	How do you rate the sequence of the courses in the curriculum?	✓				
9.	Rate the satisfaction level of curriculum design as per the requirement of employability / higher learning?		✓			
10.	How do you rate the books listed as reference materials are relevant, updated and appropriate?	✓				

Suggestions (if any): To give more industrial exposure at final year level. Industrial Visit should be required for max^m subject

Stakeholders Feedback Report on the syllabus and its transaction

Sr. No	Suggestion/comments received from Students' feedback
1	The subject of robotics should include Demonstration of Models/Some experiments in the Practical.
2	To give more industrial exposure at final year level, industrial visits should be required for maximum subjects.
3	Significance of Artificial Intelligence and Machine Learning with some case studies/examples required to be included in the syllabus.
4	Analysis related software should be there in Syllabus
5	The subject of automobile should include electric vehicle and fuel cell technology.
6	The experiments in Refrigeration and Air conditioning should be updated.
7	Market trending subjects must make compulsory.
8	Business plan or proposal submission should be added in Entrepreneurship Development Subject

4. Emphasis on fundamentals, coverage of modern/advanced topics, good balance between theory and application.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
5. Evaluation schemes designed for each of the course are sufficient for providing proper assessment.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
6. The course/ syllabus have good balance between theoretical concepts of syllabus and Practical/Experiments.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
7. The syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
8. Current syllabus tries to build the opportunities in terms of employability and entrepreneurial attitude amongst the students.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
9. The books/ reference materials prescribed are relevant, updated and appropriate.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
10. The course/syllabus has enabled to update knowledge and perspective in the subject area.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Suggestions (if any) *

At least one micro/mini project related to the course in every subject, preferably with an industry focus

Teachers' Feedback on the Syllabus and its Transaction at the Institution_(Mech. Engg. 2022-2023)

This feedback form is intended to collect information relating to your satisfaction towards the curriculum, learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the program of institution.

Dear Teachers, Before giving response to this feedback, please go through the Final Year B.Tech.(Mech) Syllabus (w.e.f. 2021-2022) and give comments / modification (if any) that you want to suggest in the New Syllabus of Final Year B.Tech.(Mech) (w.e.f. 2023-2024)

Teacher's Information

Department *

Mechanical Engineering

Name of the Teacher *

Please write your Full Name (For Example:- Kashid Digambar Tukaram)

Digambar Tukaram Kashid

Designation *

Assistant Professor

Instructions for Response to Feedback

Please mark a tick '✓' in the appropriate cell for every statement.

Your responses below are for purpose of evaluation

5- Strongly Agree	4 - Agree	3 - Neither Agree nor Disagree	2 - Disagree	1 - Strongly Disagree
-------------------	-----------	--------------------------------	--------------	-----------------------

Particulars for evaluation *

	5-Strongly Agree	4-Agree	3-Neither Agree nor Disagree	2-Disagree	1-Strongly Disagree
1. The course objectives and outcomes of the current syllabi are well defined and clear for delivery of course.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
2. The current content of syllabus is fulfilling the need of industry, sufficient to bridge the gap between industry and academics.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
3. The course is well organized (e.g. teaching hours, the sequence of the courses in the curriculum).	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
4. Emphasis on fundamentals, coverage of modern/advanced topics, good balance between theory and application.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
5. Evaluation schemes designed for each of the course are sufficient for providing proper assessment.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
6. The course/ syllabus have good balance between theoretical concepts of syllabus and Practical/Experiments.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
7. The syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
8. Current syllabus tries to build the opportunities in terms of employability and entrepreneurial attitude amongst the students.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
9. The books/ reference materials prescribed are relevant, updated and appropriate.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
10. The course/syllabus has enabled to update knowledge and perspective in the subject area.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

Suggestions (if any) *

As per the NEP 2020 education policy Mechanical Engineering curriculum must include more inter-disciplinary subjects or topics.

Stakeholders Feedback Report on the syllabus and its transaction

Sr. No	Suggestion/comments received from Teachers' feedback
1.	The open elective for semester 1 should be replaced by project phase 2 because students cannot do project work while working on internship.
2.	Introduction of HAP software should be added in the syllabus of Refrigeration & Air conditioning
3.	Automation and Machine learning related topic should be added
4.	More practical oriented subjects related to probable placement industries should be included.
5.	Research Methodology subject should be added as open elective at sem 5 as it is helpful to wright the project thesis.
6.	Case Studies should be part of end semester examination. One ERP software could be part of curriculum
7.	Software languages should be provided for practicals.
8.	Some Product Design concepts should be added i.e. from IPD subject.
9.	At least one micro/mini project related to the course in every subject, preferably with an industry focus
10.	For Hn542: Honors Course: Introduction to Electric and Hybrid Electric Vehicles Please provide appropriate books relevant to syllabus framed
11.	As per the NEP 2020 education policy Mechanical Engineering curriculum must include more inter-disciplinary subjects or topics.
12.	Need to add some contents or topics or syllabus to cover inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security.
13.	If possible add some content or a subject on employability skill development (ESD)

Name of the Alumni: Akshay Khandekar Branch: Mechanical.

The purpose of this survey is to obtain alumni input on the quality of education they received and the level of preparation they had at institute. The purpose of this survey is to assess the quality of the academic program. We seek your help in completing this survey.

Your responses below are for purpose of evaluation

5 – Excellent

4 – Very Good

3 – Good

2 – Average

1 – Poor

Please respond to items below by writing 5/4/3/2/1

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Course was well structured to achieve the learning outcomes (good balance of lectures, learning resources, tutorials, practical etc.)	✓				
2.	The syllabus was need based; Emphasis on fundamentals, coverage of modern/ advanced topics, good balance between theory and application.	✓				
3.	Current syllabus is adequately covers contemporary issues/emerging global and national trends in engineering.		✓			
4.	The syllabus meets the expectations in terms of learning values, skills, knowledge, attitude, analytical abilities, applicability, relevance and practical orientation to real life situations.	✓				
5.	Expectations about the course (Enhance by skill/knowledge base, better career opportunities etc) were achievable.	✓				
6.	The books prescribed/listed as reference materials are relevant, updated and appropriate.	✓				
7.	The syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security.	✓				
8.	The course enabled to build your future career.		✓			

Suggestions if any: Add on Course related to open source tools.

Stakeholders Feedback Report on the syllabus and its transaction

Sr. No	Suggestion/comments received from Alumni feedback
1	At least one micro/mini project and case study should be included as Assignment/Tutorial/Laboratory for all courses preferably with an industry focus
2	Business plan or proposal submission related topics are required to be added in Entrepreneurship Development course.
3	Maximum case studies should be included as Assignments for the subjects like Production and Operations Management, Supply Chain Management, EntrepreneurshipP Development, etc.
4	Kindly keep External Oral Examination for evaluation of Internship Training with seminar and report submission.
5	Add IE and Automation related topics
6	Add on course related to open source tools such as Advance Excel, Power Point presentation should be added.
7	New technology processes should be included in the syllabus for getting recent trends in industry
8	New technology courses need to be shared with students (Mendix certification course can be taken up)
9	Design software with domain knowledge should be added in syllabus

Stakeholders Feedback Report on the syllabus and its transaction

Sr. No	Suggestion/comments received from Employers feedback
1	As per changing technological scenario, contents of syllabus for all the subjects is required to be updated by adding one/two topics.
2	Some Product Design Concepts should be added in the Analysis and synthesis of Mechanisms course.
3	In view of implementation of NEP 2020 education policy, there is need to add some contents or topics or syllabus to cover inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security, to the extent possible
4	The ethical values, technical standards and professional responsibilities related to Robotics and Automation should be included in the syllabus of the subject.
5	Dynamics of machinery topics has to be added in present syllabus of Theory of machine syllabus

Stakeholders Feedback Report on the syllabus and its transaction

Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders

1) Students 2) Teachers 3) Employers 4) Alumni

Options:

Feedback Received from Students

Department Name- E&TC Engineering

A.Y. 2022-2023

	Suggestions / Comments Received through Students Feedback
1.	Need to add software based subject for full marks paper.
2.	Required to add recent technical skill
3.	Need to include recent technical subject like AI and ML
4.	Self Learning subject should be like NPTEL.
5.	Should give more focus on practicals.
6.	Industry related contents should be including in the syllabus.
7.	Mention workshop for relative subjects which is technical's.
8.	Syllabus and practical's improve.
9.	Add more practical's per subject.
10.	Final year second semester should consist of six month industry training in order to improve in syllabus.

Feedback Received from Teachers

Department Name- E&TC Engineering

A.Y. 2022-2023

Sr. No.	Suggestions / Comments Received through Feedback
1.	Improvement in Syllabus more focuses on Industry Points.
2.	Need to modify syllabus on market condition of core and software.
3.	New technical skill improvement subject like PLC programming.
4.	Syllabus should Include software testing course work.
5.	Include more Software based syllabus.
6.	Syllabus should include Workshops
7.	NPTEL type of course should include
8.	Need improve syllabus.
9.	Syllabus should include new technology.

Alumni Feedback on the Syllabus and its Transaction at the Institution

Name of the Alumni: Akshay Rajendra Maske Branch: ENTC

The purpose of this survey is to obtain alumni input on the quality of education they received and the level of preparation they had at institute. The purpose of this survey is to assess the quality of the academic program. We seek your help in completing this survey.

Your responses below are for purpose of evaluation				
5 – Excellent	4 – Very Good	3 – Good	2 – Average	1 – Poor
Please respond to items below by writing 5/4/3/2/1				

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Course was well structured to achieve the learning outcomes (good balance of lectures, learning resources, tutorials, practical etc.)	✓				
2.	The syllabus was need based; Emphasis on fundamentals, coverage of modern/ advanced topics, good balance between theory and application.	✓				
3.	Current syllabus is adequately covers contemporary issues/emerging global and national trends in engineering.	✓				
4.	The syllabus meets the expectations in terms of learning values, skills, knowledge, attitude, analytical abilities, applicability, relevance and practical orientation to real life situations.	✓				
5.	Expectations about the course (Enhance by skill/knowledge base, better career opportunities etc) were achievable.	✓				
6.	The books prescribed/listed as reference materials are relevant, updated and appropriate.	✓				
7.	The syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security.	✓				
8.	The course enabled to build your future career.	✓

Feedback Received from Alumni

Department Name- E&TC Engineering

A.Y. 2022-2023

Sr. No.	Suggestions / Comments Received through Feedback
1.	Include software based projects.
2.	Need to modify syllabus as per industry working condition and global market.
3.	PLC, automation testing, hardware testing add to syllabus.
4.	More practical's on Java. Also projects on java.
5.	Need to add AI based workshop.
6.	Need to modify syllabus.
7.	Focus on more industrial visit to improve quality education.

5 – Excellent 4 – Very Good 3 – Good 2 – Average 1 – Poor

Please respond to items below by writing 5/4/3/2/1

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Course was well structured to achieve the learning outcomes (good balance of lectures, learning resources, tutorials, practical etc.)	✓				
2.	The syllabus was need based; Emphasis on fundamentals, coverage of modern/ advanced topics, good balance between theory and application.		✓			
3.	Current syllabus is adequately covers contemporary issues/emerging global and national trends in engineering.		✓			
4.	The syllabus meets the expectations in terms of learning values, skills, knowledge, attitude, analytical abilities, applicability, relevance and practical orientation to real life situations.		✓			
5.	Expectations about the course (Enhance by skill/knowledge base, better career opportunities etc) were achievable.		✓			
6.	The books prescribed/listed as reference materials are relevant, updated and appropriate.			✓		
7.	The syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security.	✓				
8.	The course enabled to build your future career.	✓				

Suggestions if any: Software Lectures.

Alumni Information

Student's Feedback on the Syllabus and its Transaction at the Institution

Name of the Student: Amruta K. Dongare Branch: CSE

Class & Div: LY BTech Academic Year: 2022-2023

This feedback form is intended to collect information relating to your satisfaction towards the curriculum, learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the program of institution.

Your responses below are for purpose of evaluation

5 – Excellent	4 – Very Good	3 – Good	2 – Average	1 – Poor
Please respond to items below by writing 5/4/3/2/1				

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course?		✓			
2.	How do you rate the relevance of the units in syllabus significant to the course?			✓		
3.	How do you rate the electives offered in relation to the technological advancements?			✓		
4.	Rate the courses in terms of extra learning or self learning considering the design of the courses?		✓			
5.	Rate the theoretical concepts of syllabus supported by Practical/Experiments?		✓			
6.	Rate the contents included in the syllabus with reference to professional and higher level learning skills?			✓		
7.	How do you rate the evaluation scheme designed for each of the course?			✓		
8.	How do you rate the sequence of the courses in the curriculum?		✓			
9.	Rate the satisfaction level of curriculum design as per the requirement of employability / higher learning?			✓		
10.	How do you rate the books listed as reference materials are relevant, updated and appropriate?		✓			

Suggestions (if any): more logical information is required.

 Class & Div: Final Year B.Tech Academic Year: 2022-23

This feedback form is intended to collect information relating to your satisfaction towards the curriculum, learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the program of institution.

Your responses below are for purpose of evaluation				
5 – Excellent	4 – Very Good	3 – Good	2 – Average	1 – Poor
Please respond to items below by writing 5/4/3/2/1				

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course?			✓		
2.	How do you rate the relevance of the units in syllabus significant to the course?			✓		
3.	How do you rate the electives offered in relation to the technological advancements?		✓			
4.	Rate the courses in terms of extra learning or self-learning considering the design of the courses?			✓		
5.	Rate the theoretical concepts of syllabus supported by Practical/Experiments?			✓		
6.	Rate the contents included in the syllabus with reference to professional and higher level learning skills?		✓			
7.	How do you rate the evaluation scheme designed for each of the course?		✓			
8.	How do you rate the sequence of the courses in the curriculum?			✓		
9.	Rate the satisfaction level of curriculum design as per the requirement of employability / higher learning?		✓			
10.	How do you rate the books listed as reference materials are relevant, updated and appropriate?			✓		

Suggestions (if any): Industry Related content should be included in Syllabus.

Alumni Feedback on the Syllabus and its Transaction at the Institution

Name of the Alumni: Dipali Metkari Branch: Electrical

The purpose of this survey is to obtain alumni input on the quality of education they received and the level of preparation they had at institute. The purpose of this survey is to assess the quality of the academic program. We seek your help in completing this survey.

Your responses below are for purpose of evaluation

5 – Excellent 4 – Very Good 3 – Good 2 – Average 1 – Poor

Please respond to items below by writing 5/4/3/2/1

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Course was well structured to achieve the learning outcomes (good balance of lectures, learning resources, tutorials, practical etc.)	✓				
2.	The syllabus was need based; Emphasis on fundamentals, coverage of modern/ advanced topics, good balance between theory and application.	✓				
3.	Current syllabus is adequately covers contemporary issues/emerging global and national trends in engineering.	✓				
4.	The syllabus meets the expectations in terms of learning values, skills, knowledge, attitude, analytical abilities, applicability, relevance and practical orientation to real life situations.	✓				
5.	Expectations about the course (Enhance by skill/knowledge base, better career opportunities etc) were achievable.		✓			
6.	The books prescribed/listed as reference materials are relevant, updated and appropriate.		✓			
7.	The syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security.			✓		
8.	The course enabled to build your future career.			✓

The purpose of this survey is to obtain alumni input on the quality of education they received and the level of preparation they had at institute. The purpose of this survey is to assess the quality of the academic program. We seek your help in completing this survey.

Your responses below are for purpose of evaluation

5 – Excellent 4 – Very Good 3 – Good 2 – Average 1 – Poor

Please respond to items below by writing 5/4/3/2/1

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Course was well structured to achieve the learning outcomes (good balance of lectures, learning resources, tutorials, practical etc.)	✓				
2.	The syllabus was need based; Emphasis on fundamentals, coverage of modern/ advanced topics, good balance between theory and application.	✓				
3.	Current syllabus is adequately covers contemporary issues/emerging global and national trends in engineering.	✓				
4.	The syllabus meets the expectations in terms of learning values, skills, knowledge, attitude, analytical abilities, applicability, relevance and practical orientation to real life situations.	✓				
5.	Expectations about the course (Enhance by skill/knowledge base, better career opportunities etc) were achievable.		✓			
6.	The books prescribed/listed as reference materials are relevant, updated and appropriate.		✓			
7.	The syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security.		✓			
8.	The course enabled to build your future career.		✓

Name of the Student: Siddhi Prataprajna Deshmukh Branch: MBA II

Class & Div: MBA Academic Year: 2022 - 23

This feedback form is intended to collect information relating to your satisfaction towards the curriculum, learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the program of institution.

Your responses below are for purpose of evaluation

5 – Excellent	4 – Very Good	3 – Good	2 – Average	1 – Poor
----------------------	----------------------	-----------------	--------------------	-----------------

Please respond to items below by writing 5/4/3/2/1

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course?		✓			
2.	How do you rate the relevance of the units in syllabus significant to the course?	✓				
3.	How do you rate the electives offered in relation to the technological advancements?			✓		
4.	Rate the courses in terms of extra learning or self learning considering the design of the courses?		✓			
5.	Rate the theoretical concepts of syllabus supported by Practical/Experiments?		✓	✓		
6.	Rate the contents included in the syllabus with reference to professional and higher level learning skills?		✓			
7.	How do you rate the evaluation scheme designed for each of the course?			✓		
8.	How do you rate the sequence of the courses in the curriculum?		✓			
9.	Rate the satisfaction level of curriculum design as per the requirement of employability / higher learning?		✓			
10.	How do you rate the books listed as reference materials are relevant, updated and appropriate?			✓

Alumni Feedback on the Syllabus and its Transaction at the Institution

Name of the Alumni: Rohit kawde Branch: MBA

The purpose of this survey is to obtain alumni input on the quality of education they received and the level of preparation they had at institute. The purpose of this survey is to assess the quality of the academic program. We seek your help in completing this survey.

Your responses below are for purpose of evaluation

5 – Excellent 4 – Very Good 3 – Good 2 – Average 1 – Poor

Please respond to items below by writing 5/4/3/2/1

Sr. No.	Particular	Excellent	Very Good	Good	Average	Poor
1.	Course was well structured to achieve the learning outcomes (good balance of lectures, learning resources, tutorials, practical etc.)	✓				
2.	The syllabus was need based; Emphasis on fundamentals, coverage of modern/ advanced topics, good balance between theory and application.		✓			
3.	Current syllabus is adequately covers contemporary issues/emerging global and national trends in engineering.		✓			
4.	The syllabus meets the expectations in terms of learning values, skills, knowledge, attitude, analytical abilities, applicability, relevance and practical orientation to real life situations.			✓		
5.	Expectations about the course (Enhance by skill/knowledge base, better career opportunities etc) were achievable.			✓		
6.	The books prescribed/listed as reference materials are relevant, updated and appropriate.		✓			
7.	The syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, environment and sustainability, human rights and social security.		✓			
8.	The course enabled to build your future career.			✓		

Suggestions if any: realistic case study should be added
